

How to Get Service Under the Terms of the Limited One-Year Warranty

For warranty repair, do not return your product to the place of purchase. Instead, follow the instructions below to obtain warranty service, as our dealer network is not prepared to service the product under the terms of this warranty.

1. First, write, call or FAX M.T.H. Electric Trains, 7020 Columbia Gateway Drive, Columbia, MD 21046, (Tel: 410-381-2580; FAX: 410-423-0009; e-mail: service@mth-railking.com), stating when it was purchased and what seems to be the problem. You will be given a return authorization number to assure that your merchandise will be properly handled upon its receipt.
2. CAUTION: Make sure the product is packed in its original factory packaging including its foam and plastic wrapping material also to stop prevent damage to the merchandise. The shipment must be prepaid and we recommend that it be insured. *A cover letter including your name, address, daytime phone number, e-mail address (if available), Return Authorization number, a copy of your sales receipt and a full description of the problem must be included to facilitate the repairs. Please include the description regardless of whether you discussed the problem with one of our service technicians when contacting M.T.H. for your Return Authorization number.*
3. Please make sure you have followed the instructions carefully before returning any merchandise for service.

Limited One-Year Warranty

All M.T.H. products purchased from an Authorized M.T.H. Train Merchant are covered by this warranty.

See our website at www.mth-railking.com or call 1-888-640-3700 to identify an Authorized M.T.H. Train Merchant near you.

M.T.H. products are warranted for one year from the date of purchase against defects in material or workmanship, excluding light bulbs and traction tires. We will repair or replace (at our option) the defective part without charge for the parts or labor, if the item is returned to M.T.H. Electric Trains within one year of the original date of purchase. This warranty does not cover damages caused by improper care, handling, or use. Transportation costs incurred by the customer are not covered under this warranty.

Items sent for repair must be accompanied by a return authorization number, a description of the problem, and the **original sales receipt from an Authorized M.T.H. Train Merchant**, which gives the date of purchase. Call 410-381-2580, fax 410-423-0009, or e-mail the Service Department at service@mth-railking.com to obtain a return authorization number.

This warranty gives you specific legal rights, and you may have other rights that vary from state to state.

The M.T.H. Switch Tower adds more excitement and realism to your layout. Constructed from sturdy ABS plastic, the M.T.H. Switch Tower is a great addition to any O-27 or O Gauge layout.

The tower comes fully assembled with all parts necessary to integrate with existing layout components. Set up and maintenance is made easy by following the instructions on the following pages.

SWITCH TOWER

INSTRUCTIONS

The M.T.H. Switch Tower lights can be wired to an AC transformer easily by using the labeled spring clips as seen in photo 1 (wires not included). To replace the upper interior light bulb, follow these steps: First, remove the roof by slowly pulling upward as in photo 2 and look for wire connections shown in photo 3. Disconnect wire, and then completely remove the roof. Twist and pull bulb upward as shown in photo 4. To gain access to the lower bulb, unscrew the five screws circled in photo 5. The bottom can then be lifted off (photo 6); however, you must be careful not to pull the wire out of the connection in the upper half of the tower. Remove the lower interior light bulb in the same manner as the upper interior light bulb (photo 4).

You can obtain replacement bulbs directly from the M.T.H. Parts Department (phone: 410-381-2580; e-mail: parts@mth-railking.com; mail: 7020 Columbia Gateway Drive, Columbia MD 21046-1532)
